

# THE STORYTELLER

## DURATION & TEAM SIZE

Starting from 30 minutes

Teams up to 10 people

## DESCRIPTION

The VTX Channel crew is working on some new TV Series that will be aired next year. Unfortunately, when printing the Production Plan to be presented to the CEO the crew finds out the document is not the updated one and its latest version is nowhere to be found. However, each member of the crew has some notes that can help put the information back together and recreate the lost draft! Help the crew putting the final Production Plan back together. An Icebreaker that will test your team's communication and reading, decoding and comprehension skills!

## HOW IT WORKS

Each team member will have access to specific notes of the lost Production Plan, which will have to be put back together with no other clue given. Understanding what participants are reading and discussing the choices together will be crucial for succeeding in this Icebreaker.
