# ADDITIONAL FEATURES

Want to make our unique Offer even more special?

Here are some “Additional Features” we can happily include for ALL our Services :

**PODIUM** – In case of a competition, we can prepare a presentation to announce winners.

The podium is highly customisable and includes team names, team members and timings. Further customisation (e.g. adding photos) is possible but has to be discussed in advance and no later than 2 weeks before the event.

**MULTIPLE LANGUAGES** – All our Services can be delivered also in Italian, French and Spanish.

Precisely, we could translate our Services dedicated websites & materials and/or provide facilitation in the aforementioned languages (*facilitation can be provided only for a limited number of teams*)

**TRAINER** – We offer the opportunity of a training session before the event to maximise the development of soft skills during the Experience. The trainer is a certified coach who will do a training incorporating strategic content in preparation of the Experience.

**PERSONALISED EXPERIENCES** – We can create fully personalised Experiences from scratch.

The cost of a fully personalised Experience will be discussed after an alignment call.

# ESCAPE ZOOM

## DIFFICULTY, DURATION AND TEAM SIZE

★★★★☆ ⌚ 45 to 60 minutes

👤👤👤 Teams from 4 to 12 people

## DESCRIPTION

A mysterious e-mail from Mr. Walae informs players of an imminent danger. They will have 60 minutes to bypass state-of-the-art security systems and save the world.

A sci-fi and introspective story in search of what makes us real.

Take the first step towards a virtual journey where problem solving and teamwork will be the only chance of survival.

## HOW IT WORKS

The team will have to solve various dynamic and engaging riddles using different material team members are provided with, such as audios, videos, images, texts and codes.

The objective of this unique Experience is to stimulate problem solving, intuition, logic and, more importantly, teamwork: collaboration between all participants is a key factor to solve the Experience challenges and successfully complete it.

# ESCAPE OUTER SPACE

## DIFFICULTY, DURATION AND TEAM SIZE

45 to 60 minutes

Teams from 4 to 12 people

## DESCRIPTION

Have you ever wondered how it feels like to be in Outer Space? Get your equipment ready, because you're about to go above and beyond! Playing as a team of Astronauts, you will set off on a space mission to (re)bring light to Earth: a Space-based solar power mission! As a result of the excessive exploitation of non-renewable resources and climate change, a natural disaster is preventing the functioning of traditional power plants, and the Earth has been left in the dark.

Players will have to solve a series of riddles in order to convert Space electromagnetic waves into energy and bring light back on Earth!

## HOW IT WORKS

The team will have to solve various dynamic and engaging riddles using different material team members are provided with, such as audios, videos, images, texts and codes.

The objective of this unique Experience is to stimulate problem solving, intuition, logic and, more importantly, teamwork: collaboration between all participants is a key factor to solve the Experience challenges and successfully complete it.

# VIRTUAL TREASURE HUNT

## DIFFICULTY, DURATION AND TEAM SIZE

★★★★☆ ⌚ 40 to 60 minutes

👤👤👤 Teams up to 16 people

## DESCRIPTION

The Explorers have finally found the legendary Tutankhamen's lost treasure. However, something went wrong. The chest is locked and won't open without the key. But the key has been shattered and its pieces are scattered all over Egypt.

The team's goal is to reassemble the key and open the treasure chest.

Making a virtual journey to Ancient Egypt, the team will have to explore the World Wide Web and discover all its wonders at the click of a button. Put your online research skills to the test!

## HOW IT WORKS

The team will have to explore our dedicated platform to find carefully hidden elements. Once they find them, they will get access to a riddle and by solving it they will get a "Key Fragment". After retrieving all the key fragments, participants will finally be able to open the treasure. Their mission will lead them to visit virtually Ancient Egypt and learn more about Egyptian culture by exploring the Web.

The theme is highly customisable and adaptable to educational/marketing purposes.

# THE HEIST

## DIFFICULTY, DURATION AND TEAM SIZE

45 to 60 minutes

Teams up to 16 people

## DESCRIPTION

Be part of an inexplicable theft directly from the comfort of your house. A famous painting has been stolen from the fair town of Vinci and it will be up to your team to unravel the mystery. You will be provided with all the elements, so do not miss even the smallest clue! However, time is your enemy, and you will have to make important choices. Your goal? Reconnect all the clues, like pieces of a puzzle, and find the culprit/s. A murder mystery type of game in which every detail matters and everyone is innocent until proven guilty!

## HOW IT WORKS

The detectives will be debriefed on the scenario and all the clues available from the start. The team will have to gather evidence by making collective decisions through our dedicated platform. This will provide useful information on the case. Unfortunately, time is short and not all places can be visited. At the end of the Experience, the team will have to make a guess on who the culprit/s is/are and the reasons behind the theft.

The theme is highly customisable and adaptable to educational/marketing purposes.

# MOVIE DIRECTORS FOR A DAY

## DURATION & TEAM SIZE

 75 to 120 minutes  Teams from 10 to 20 people

## DESCRIPTION

Have you ever thought about turning your home or your office into a movie set? “Movie Directors for a Day” is an innovative Experience that combines video conference technologies with the tradition of classic cinema. Develop your artistic skills with your team and produce an unforgettable video to share with your colleagues.

## HOW IT WORKS

Team members will have to act and direct their own movie. However, like in any good movie, there’s a twist...they will not know the ending to their own story. Instead, they will be finding it out as they shoot the film. The team will have to elect a “director”, who will guide the “actors” to shoot a video.

The actors will have to perform the script like real Hollywood stars. At the end, the video will be edited and shared with the participants.

This Experience shows people how our actions as individuals can be part of something bigger. The video can be saved and shared with employees as a memento.

# PAPER CASTLES

## DURATION & TEAM SIZE

 Starting from 20 minutes

 Teams up to 20 people

## DESCRIPTION

Achieving a complex project can seem an insurmountable task. How can all problems be solved? “Paper Castles” is a virtual Icebreaker that requires only a paper sheet and outstanding teamwork spirit. Create small and complex masterpieces together and show how strong your team cohesion is!

## HOW IT WORKS

The Game Master will give the team more and more complex origami to create within a time limit. Participants, divided into teams, will alternate in the roles of “Builders” and “Designers”. The “Designers” will have to provide, verbally, the instructions for the editing while the “Builders” will have to execute them.

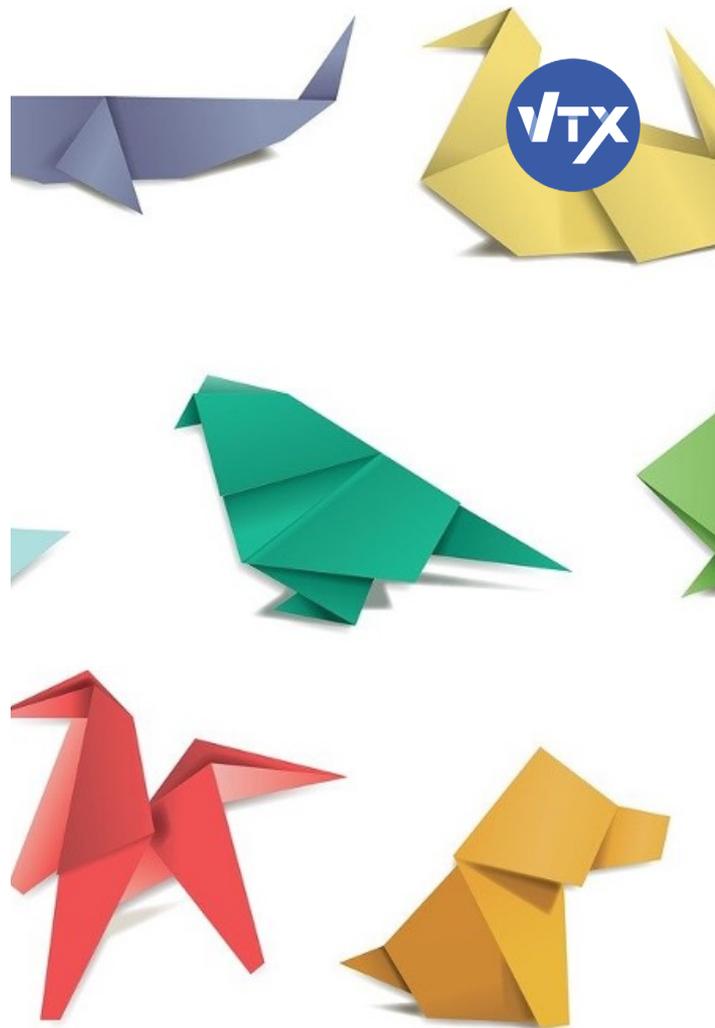

This Icebreaker is a quick activity to show the difficulties of communication while having fun.

# GUESS WHO

## DURATION & TEAM SIZE

 15 to 30 minutes

Teams up to 15 people

## DESCRIPTION

Does he have red hair? Does she wear glasses? Is she blonde? Your team is the protagonist of an unforgettable classic game turned virtual. All you need is a pinch of creativity and the will to share a lighthearted moment of fun! Because there is no better way to break the ice than having fun together.

## HOW IT WORKS

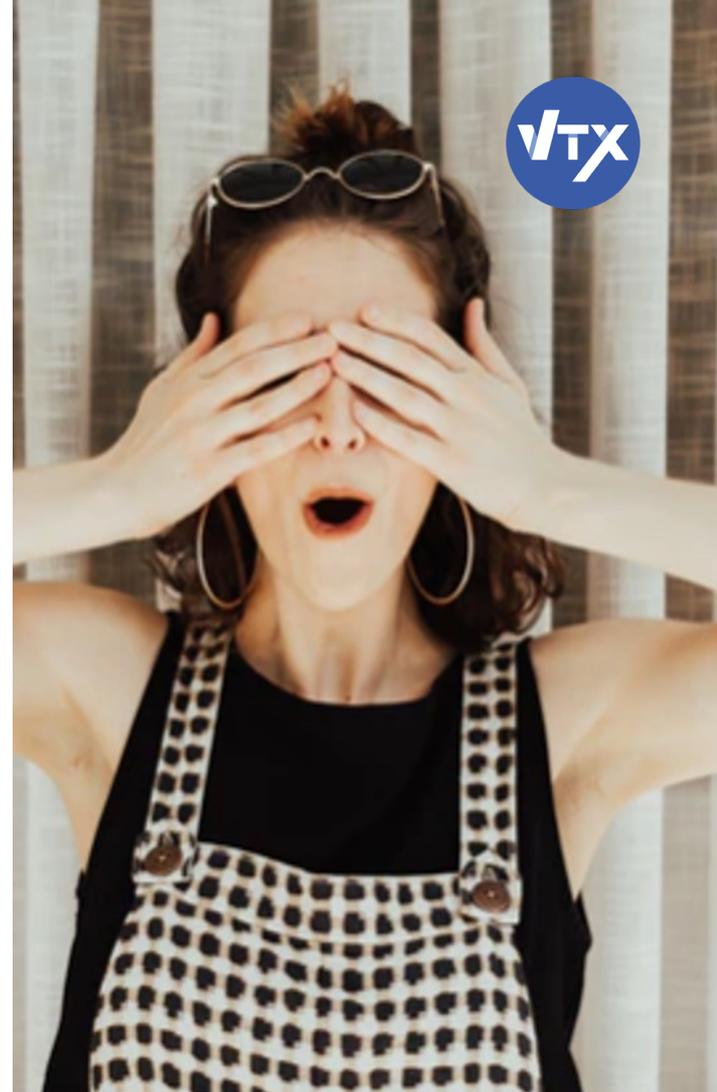

This Icebreaker is structured in quick 15–30 minutes sessions. One member of the team will think of another teammate, and the others will take turns to ask one question each and guess who the mysterious person is. According to how creative you want to be, in the first 5 minutes you will have the chance to add a personal touch to your virtual image, to spice things up and add more elements of fun!

# THE STORYTELLER

## DURATION & TEAM SIZE

Starting from 30 minutes

Teams up to 10 people

## DESCRIPTION

The VTX Channel crew is working on some new TV Series that will be aired next year. Unfortunately, when printing the Production Plan to be presented to the CEO the crew finds out the document is not the updated one and its latest version is nowhere to be found. However, each member of the crew has some notes that can help put the information back together and recreate the lost draft! Help the crew putting the final Production Plan back together. An Icebreaker that will test your team's communication and reading, decoding and comprehension skills!

## HOW IT WORKS

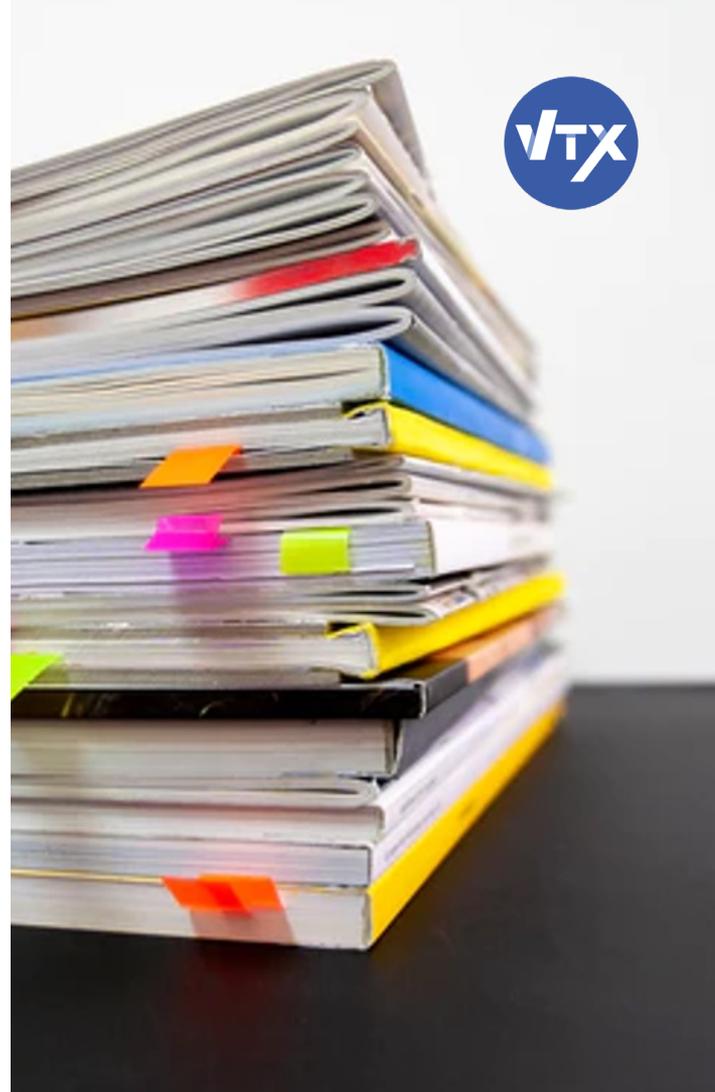

Each team member will have access to specific notes of the lost Production Plan, which will have to be put back together with no other clue given. Understanding what participants are reading and discussing the choices together will be crucial for succeeding in this Icebreaker.

# CHARADE

## DURATION & TEAM SIZE

 Starting from 20 minutes

 Teams up to 10 people

## DESCRIPTION

Challenge yourself to act in the ultimate Charade challenge! You can use objects and move around but talking is forbidden! Use your creativity and help your Team win by making your Team members guess what it is that you're miming. A quick and very funny competition to boost your Team's cohesion, creativity and (silent!) communication while ensuring a lighthearted moment of fun!

## HOW IT WORKS

Our Speaker and judge of this very funny competition will give each team member something to mime to his/her Team, which will have 2 minutes to guess. If after 2 minutes the Team hasn't given the right answer, there will be 1 additional minute in which even the opponent Team can guess. Each team member will have a chance to mime.
